

Tour Update (as of 2/23/2010)

This notice is to inform everyone that our tour to Easter Island for the total eclipse to take place on Sunday, July the 11th, 2010 is now **officially sold out**. We now have **no further spaces available for this tour**, and we shall NOT be acquiring any further capacity for this group/tour.

We are happy, however, to place interested parties on a waiting list, in the unlikely case that we have some last-minute tour cancellations. Placement on this wait list is at no cost, and we shall notify those on the list of any openings, in serial order of their location on the waiting list.

Thank you for your time and attention to this update, and clear skies and good seeing to all those traveling to observe the eclipse this July!!
